*To Motivate Young People To Become Better Citizens*

## We're Back

By Richard Bland

MTS JROTC is back for another year. We are heading into our fourth year of this program. We will be starting off with the Como competition. It's going to be a drill team and a PT team. We also have a new SAI. There is a new staff this year and they plan to do very well. We want to try to win more trophies this year. We have new cadets that want the patch. We will work our hardest to live up to JROTC name. So if you think that you're ready for the patch, come check us out. We're still motivating young people to be better citizens.

## Twins Game

By: Richard Bland

MTS JROTC has done Twins games in the past but the most recent was one to remember. The JROTC was asked by the Minnesota Twins if they could do the Color Guard for the 9/11 event for the military appreciation day. It was a memorable event. The JROTC presented the colors while the national anthem was playing. There was no one in that stadium sitting. You could almost hear a pin drop when the anthem was done playing. The JROTC felt honored to do Color Guard for the Twins.
